Good afternoon Abbie,

After researching this, it looks like you omitted the incident number from the 3911 form (section 2). Without the incident number, our system can't ingest the 3911 and send a confirmation email. Please resubmit with the incident number.

Many thanks,
CDER Drug Notifications Team

Good morning,

This is the second attempt to file this 3911 termination request. We never received confirmation of it's receipt.
